THE ULTIMATE CHAIN CLEANER

Description:

The Ultimate Chain Cleaner is a fully plant-based chain degreaser.

The Ultimate Chain Cleaner is the ultimate formula for cleaning bicycle chains! This powerhouse effortlessly deals with the most stubborn grease and puts an end to black and greasy bike chains. Clean your bike chain spotlessly with this chain degreaser, lubricate your chain with Ultimate Chain Wax and reduce resistance while cycling!

Like other Airogroup products, this chain degreaser is biodegradable. The packaging is also fully recyclable.

Application:

Degreasing of (heavily) soiled bike chains.

Instructions:

Spray the chain with the Ultimate Chain Cleaner. Let it work for a few minutes. Brush off the chain. Then rinse with water.

When the chain cleaner has gotten on the paint, rinse it with water and then dry with a cloth.
