RIM CLEANER

Description:

Aiolube Rim Cleaner is a plant-based cleaner for alloy wheels.

The natural formula of the Aiolube Rim Cleaner removes brake dust, grease and dirt with the greatest of ease. Easy to apply and immediate results.

Like all other Aiolube products, the Rim Cleaner is also biodegradable. The packaging is also fully recyclable.

Application:

Cleaning of light metal and aluminum rims.

Instructions:

Spray the rim with Rim Cleaner until the rim is covered with foam. Brush out the foam with a brush. Let the formula act for 5 minutes. Finally, rinse the rim thoroughly with water.

The content of this document is intended to enable the reader to orientate himself on the properties and possible applications of products produced under the labels of Airogroup BV. The analysis data mentioned in this product data sheet are typical values. Small deviations, which can occur during the normal manufacturing process of the product, will not affect the quality of the product. Although this text has been compiled with great care, the compiler accepts no liability for damage resulting from incompleteness and/or inaccuracies in the text. The reader is advised the final product choice in consultation with the supplier.
