Description:

Let's get the job done with the Airocube Mechanic Hand Soap. This 100% natural hand soap has been specially developed for people who are not afraid to get their hands dirty. This is because its high percentage of salt will scrub grease and dirt off your hands with ease. Moreover, this vegan hand soap leaves behind a fresh scent of lemon.

In short, an indispensable product for any workshop or garage!

Application:

To be used on soiled hands.

Instructions:

Smear soiled hands with Mechanic Hand Soap. Rub the hands well to loosen grease and dirt. Rinse the hands with water.
