## LEATHER & FABRIC CLEANER

### Description:

Airolube Leather & Fabric Cleaner is a plant-based formula for cleaning leather and fabric upholstery.

The natural formula of the Leather & Fabric Cleaner cleans frequently occurring stains from the upholstery with the greatest of ease. Dirt, grease, liquid, they no longer have a chance to remain as a stain.

Like all other Airolube products, the Leather & Fabric Cleaner is also biodegradable. The packaging is also fully recyclable.

### Application:

Cleaning stains from leather and fabric upholstery.

### Instructions:

Spray the stain with Airolube Leather & Fabric Cleaner. Let the formula withdraw. Polish with a clean cloth. Let it dry for a while and the stain is a thing of the past.
