

## ULTIMATE CHAIN OIL

### Description:

Go for ultimate performance with Airolube ULTIMATE Chain Oil, the fastest chain oil out there! Our knowledge of cycling and our unwavering belief in the power of nature have led to a formula that provides unparalleled lubrication. With rapeseed oil and additional resistance-reducing components, this chain oil takes your cycling experience to an unprecedented level!

Airolube ULTIMATE Chain Oil lubricates deep into the core of the bike chain, ensuring every movement is smooth and lightning fast. But it doesn't stop there! Our plant-based and biodegradable formula is so potent that you can minimize the amount of oil on the chain. And don't worry, this chain oil is suitable for all weather conditions!

With its natural adhesion to metals, Airolube ULTIMATE Chain Oil offers unparalleled effectiveness, even in wet conditions.

### Application:

Suitable for the bicycle chain. Ideal for wet and dry weather conditions.

### Instructions:

Degrease the chain before using the Ultimate Chain Oil. To do this, use a degreaser such as the Airolube Ultimate Chain Cleaner. Then apply the Ultimate Chain Oil, a drop between each link is sufficient. Let this soak in for a while, then remove the excess Ultimate Chain Oil with a dry cloth.

### Physical properties:
