BIKE CLEANER

Description:

Airolube Bike Cleaner is a multifunctional cleaner for bicycles.

As a bicycle cleaner, the Bike Cleaner is suitable for effortless cleaning of all parts of the bike. The plant-based formula is designed in such a way that light and stubborn pollution is easy to remove without damaging the paintwork of your frame or other parts of your bike. The Airolube Bike Cleaner is safe to use on paints, metals and plastic parts.

Airolube Bike Cleaner is a plant-based formula that is completely biodegradable. The unique composition is safe to use and free of any kind of hazard labels. All Airolube packaging is also 100% recyclable.

Application:

Cleaning of bicycles and motorbikes.

Instructions:

Wet the surface to be cleaned with water. Then spray into the surface with Bike Cleaner. Let it act and brush off any heavy pollution. Then wipe with a dry cloth.
